This procedure regulates the STUDY VISA request. For details please refer to this link: <http://vistoperitalia.esteri.it/home/en>
3. On line registration opens starting from **December 17, 2018 and until March 14, 2019 at noon (*)**. Registration to the test is done exclusively online through the dedicated registration tool. Registration is considered complete once all requested fields have been filled in and the **test fee corresponding to EUR 170** has been paid. Registration will mean inserting personal details, paying the test fee and choosing the Test Center. Indications on the payment methods are found directly on the registration form and candidates will receive confirm on the payment and the details on the selected test location (address, beginning time and all relevant information) via email.
4. Enrolment for admitted students will begin on **July 15, 2019** and until **September 20, 2019 at noon**. Details on documentation to send in are in the dedicated point of this regulation. In all cases, as soon as you receive confirm of admittance, you must **contact your Local Italian Consulate for completing the pre-enrolment procedure for obtaining the Study Visa and the translation and value declaration 'Dichiarazione di Valore' of your high school/academic titles**. The minimum requirement for enrolling is the possession of a high school diploma with at least 12 years of education. Further details on specific foreign High school diplomas can be found at this link: <http://www.unisr.it/en/masters-degree-medicine-and-surgery/international-md-program/#requirements>
5. It is the Student's responsibility to verify s/he has the requirements and obtains the necessary papers from the Consulate in time for enrolling. For assistance please contact international.office@unisr.it
6. An English language certification is requested as well in order to finalize enrolment. Verify the details in the dedicated point of the regulation.

7. Notes marked with *** means the information is not present in the Italian competition call but is added for extra information useful to foreign Students.

- *Every hour/time frame indicated in this call will always refer to the local time in Milan, Italy.

The Regulation for Admittance to the A.Y 2019/2020 in English, translates and lists the points of the Competition Call only for information purposes. It does not have legal value since the Italian version of the Competition Call, the Chancellor Decree n° 5833 is the official document regulating the competition.

COMPETITION REGULATION FOR ADMISSION TO THE INTERNATIONAL MD PROGRAM

A.Y 2019/2020

1. NUMBER OF PLACES AVAILABLE

Selection for admission to the single-cycle degree course in Medicine and Surgery in English – the 'International MD Program' (Classification: LM-41) is disciplined by an examination and based on the number of places available which are to be confirmed by the resolution of the Italian Ministry of Education, University and Research – MIUR.

The number of places available for Non-European Citizens in the International MD Program ay 2019/2020 is 44.

2. PARTICIPATION TO THE COMPETITION

2.1 Who can participate to this competition?

Non-EU Citizens can participate to this competition. These are Non-EU Citizens, who do not already live in Italy and do not have any second European Citizenship or European Permanent Residence. For this kind of competition, Citizens from Norway, Iceland, Liechtenstein, Switzerland and the Republic of San Marino compete for the EU Citizens' quota (as specified by the Ministerial Circular of February 28, 2017 and further amendments available on the official webpage of the MIUR website: <http://www.studiare-in-italia.it/studentistranieri/>)

Italian, EU and non-EU Citizens already residing in Italy, compete for the European quota and must sit the admission test reserved to that quota.

2.2 What are the academic requirements for enrolling to the MD Program?

Minimum 12 years of education and a High School Certificate*** (law n° 910 art.1 December 11, 1969). Students who possess a foreign (non-Italian) High School Certificate/Diploma, must verify they meet the requirements indicated by the Ministerial circular dated February 28, 2017 and following amendments available on the MIUR in order to be eligible for enrolment.

***details on requirements can be found also on this page of the website:

<http://www.unisr.it/en/masters-degree-medicine-and-surgery/international-md-program/#requirements>

3. DEFINITION OF THE NON-EUROPEAN QUOTA

The regulation for admittance to Italian Universities and requirements is defined by the Italian Ministry of Education, University and Research MIUR.

Non-European students residing abroad who intend to enroll to the International MD Program, compete for the specific number of seats reserved to them determined in **n° 44** places for the academic year 2019/2020.

The International MD Program course is entirely held in English therefore proof of Italian language knowledge is not requested for the issuing of the Study Visa.

The availability of the programmed number of places is subject to approval from the MIUR.

4. REGISTRATION TO THE ADMISSION TEST

In order to sit the admission test, candidates are requested to pay the test fee which amounts to euro 170.00. Payment is done according to the indications given on the online registration form.

Payment of the test fee alone does not mean the candidate has registered correctly to the test.

Registration to the test must be done **exclusively online** through this website <https://univr-admission.ilmiotest.it> **Candidates will be asked to indicate their preferred testing site when registering.** Registration requests Candidates to insert their personal details, pay the test fee and select their preferred testing site among those available.

Candidates will receive confirm of payment and the details on the selected test location (address, beginning time and all relevant information) via email.

Please be aware that each candidate is responsible for the details they indicate on the registration form. In case of wrong, missing or untruthful data, the candidate will be prevented from entering the final ranking list and therefore, from enrolment. The University will randomly make checks on the information provided by the candidates.

Candidates with any kind of permanent or temporary disability in need of extra means of support must formally request the support they will need for this test in relation to the extent of their disability, be it also further time for completing the test (*law n° 104 February 5, 1992 and as modified by the law n. 17/1999*). Candidates with learning disabilities according to the law n°170 October 8, 2010 with the new regulation concerning *specific learning disabilities within the educational environment* can request the special terms foreseen from the Ministerial Decree n. 5669, July12, 2011.

All these requests must be accompanied by a medical certificate and sent to the Head of the Selection Procedure, via e-mail to dsa.sd@univr.it no later than the application deadline for registration indicated by this competition call.

5.2 CONTENTS OF THE TEST

The test is entirely in English and consists in 100 multiple choice questions divided as follows:

- 60 questions on logic, problem solving and reading comprehension
- 40 questions on scientific subjects (Biology, Chemistry, Mathematics and Physics)

Candidates will have 120 minutes to complete the test.

The questions of the admissions test are managed by a third party and randomly extracted from a database of questions which are property of Università Vita-Salute San Raffaele.

5.3 Delivery of the test in the Foreign Testing Sites

The test will be exclusively computer based. Candidates will receive the instructions for the test directly from the Test Centre Staff and more precisely:

Step 1: Upon arrival at the test centre, the Candidate will be welcomed by the Test Centre Administrator (TCA).

Step 2: The TCA will verify the Candidate's name and identity with a valid form of photo identification. The Candidate will then be asked to sign a log book.

Step 3: The TCA will give the indications for depositing personal items.

Step 4: The TCA will give candidates the necessary equipment for making notes.

Step 5: For any questions during the test, the candidate must raise his/her hand and the TCA will assist.

6 – THE RANKING LISTS AND ADMISSION

After the test has been corrected, **the rankings** will be made according to the following criteria:

Test corrections:

The scores are assigned as follows:

- 1 point for each correct answer
- - 0,25 points for each incorrect answer
- 0 points for each non given answer

In case of a draw, the points scored by the candidate in the logic, problem solving, Biology, Chemistry, Physics and Mathematics will prevail in descending order. In case of a further draw, the place is assigned to the youngest candidate.

Admission:

Candidates who are ranked among the first 44 positions and have scored equal or higher than 40/100 will be admitted to enrolment, acknowledging they do not have any educational requirement missing.

Candidates who have scored less than 40/100 but are ranked among the first 44 positions, or have gained admission thanks to the scrolling of the reserve lists, will be requested to recover the missing educational requirements according to the indications they will receive from the Academic Board once they have enrolled.

Candidates who have scored less than 35/100 will not be admitted to enrolment even if they are ranked among the first 44 positions or gain position thanks to the opening of the reserve lists.

7 – ADMISSION TO ENROLMENT

Admitted Candidates must follow the detailed instructions for enrolment which are given by the Registrar's Office and which will be published online.

Admitted candidates will be requested to confirm their place by making an **advance payment of euro 1,500.00 within April 15, 2019**; this amount guarantees reservation of the assigned place and entitles the candidate to proceed with enrolment and to receive the necessary documentation and assistance for beginning the study visa request. This advance payment **will not be reimbursed** should the Candidate not finalize enrolment within the given deadlines or should later decide to withdraw. This advance payment is deducted from the first installment fee necessary to finalize enrolment.

Enrolment will be possible **from July 15, 2019 to September 20, 2019 at noon** according to the indications given on the online enrolment procedure.

****Non-EU admitted Candidates must complete the Pre-Enrolment procedure through their Italian Consulate in order to receive the necessary papers for enrolment. They must therefore check the opening and closing dates acknowledging this procedure must be completed in order to obtain the Study Visa. For details please refer to this link: <http://vistoperitalia.esteri.it/home/en>*

If a candidate does not complete the enrolment procedures within the deadlines, s/he loses the assigned place and will not be allowed to enroll any longer. The free place will be assigned to another candidate according to the ranking order and to the indications given by the Registrar.

**** Please acknowledge that admittance through this competition is for **enrolment to the 2019/2020 academic year only** and that any assigned place cannot be kept on hold for future years. Non-EU Candidates must immediately get an appointment with their local Italian Embassy/Consulate for going through the pre-enrolment procedure and requesting the STUDY VISA and translation and legalization of their high school/university diplomas/papers, (the 'Dichiarazione di Valore').*
