CATEGORIES AND TYPES OF DATA PROCESSED AND PURPOSES OF THE PROCESSING

The personal data you provide – personal details, contact information, and data related to your academic career – are processed for purposes related solely to the management of the application for the recognition and the reduction of the tuition fee for siblings concurrently enrolled at the University and for children of University employees.

Data will be processed in accordance with art. 6, para 1, point b), of the GDPR.

COMPULSORY NATURE OF THE CONTRIBUTION OF DATA AND STORAGE TIMES

Providing the requested personal data is optional, but failure to provide them will result in the inability to proceed with the procedures for the recognition and application of the aforementioned benefits. The personal data collected will be stored for the time necessary to complete the procedures required for the recognition and application of the aforementioned benefits.

DATA PROCESSING PROCEDURES

Personal data are processed using manual and automated tools, by methods strictly correlated to the relative purposes, by means of appropriate security measures and for the period of time required by the current regulatory framework.

DISCLOSURE OF DATA

Personal data will not be disseminated. This will, however, not apply if the disclosure or dissemination of your Personal Data is required, in accordance with the law, by public authorities for the purposes of defence, security or the prevention, investigation or repression of crimes, or by public entities (government bodies, ministries, Inland Revenue, pension and welfare institutions, public health surveillance organisations and the police) in accordance with legal obligations. The aforesaid will usually operate as independent Data Controllers for their respective processing operations.

DATA PROCESSOR

Personal data may be disclosed to the providers of services strictly related to and necessary for the Data Controller's operations, normally acting as data processors under art. 28 of the GDPR. The full list may be requested from the Data Controller at any time by writing to the contacts provided above.

AUTHORISED PROCESSORS

Personal data may be processed by staff of the departments assigned to pursue the purposes set out above, who have been specifically authorised to process them and have received appropriate operating instructions in accordance with the provisions of art. 29 of the GDPR.

TRANSFER OF PERSONAL DATA

Personal data acquired by the University will not be transferred outside the EU.

RIGHTS OF DATA SUBJECTS

Data subjects are entitled to apply to the University, at any time, for access to their personal data, or for their rectification or erasure, or to object to their processing in the circumstances envisaged by art. 20 of the Regulation, and are entitled to request the restriction of processing in the circumstances covered by art. 18 of the Regulation, and to obtain the personal data concerning them in a structured, commonly used, machine-readable format (portability) in the circumstances envisaged by art. 20 of the Regulation.

Requests must be sent in writing, by email to the Data Controller and the DPO.

Data subjects are entitled at all times to lodge a complaint with the competent supervisory authority (Italian Personal Data Protection Authority), under art. 77 of the Regulation, if they believe that their data are being processed in breach of the current law.
