

UniSR has **two dedicated student residences** called **Cascina Melghera** and **Cascina Cassinella**. They are both newly renovated typical Lombardy's farmhouses and offer single bedrooms and common areas to live the thrilling experience of being part of the Cascina community and of UniSR Campus.

UniSR dorms offer **almost 160 newly built, furnished single rooms** with private bathrooms and common areas for studying or enjoying meals, and other amenities such as a fitness room, a tv room and a laundry service. Of course, internet access is also available throughout the buildings. In addition, weekly cleaning and 24-hour monitoring of the facilities are part of the room fees.

**Interested students may apply for a room by the stated deadline by entering their request online.**

Rooms are assigned on a first-come-first-served basis. Detailed information on residences fees, regulation and on the application process is available [on the website](#). Both residence halls are reserved exclusively for students enrolled at the University.
